

## Warm Sounds

*Faith sealer  
I don't feel you  
Don't hear you speak*

*Maybe  
Someone else will  
Help you to see*

*Warm sounds  
Falling slowly  
Takes the time away from me  
Warm sounds  
Feeling no pain  
Taking the time away from me*

*Fake feeler  
I see through you  
With my eyes closed*

*Warm sounds  
Falling slowly  
Takes the time away from me  
Warm sounds  
Feeling no pain  
Taking the time away from me*

*They can't tell me  
What they can't see  
How it feels here  
Just how it feels here  
Just how it feels here...*
